Foot Health and Wellness

2017 Footwear Catalog

Apex Foot Health Industries is dedicated to designing and manufacturing the finest foot health products available on the market today. Our research and development team constantly explores and tests new ideas, technologies and materials to help improve the way people feel on their feet.

We are proud to present a comprehensive line of men's and women's footwear that provide superior comfort and protection in fashion-forward styles. The collection is ideal for those requiring fitting flexibility and offers state-of-the-art features and materials. Together with our Custom Diabetic Insert program, patients can benefit from maximum compliance and all day protection.

WOMEN'S FOOTWEAR

Apex Athletic footwear is designed to prevent injuries and provide quick, comfortable relief from pain and discomfort to help you lead a healthy and active lifestyle.

Padded Collar & Tongue

Provides cushioned comfort and prevents heel slippage

Customization

The added EVA insole allows you to easily customize the comfort and fit of the shoe by trimming the insole at the areas of pressure. The insole may also be fully removed for additional depth.

Biomechanical Footbed

Contoured EVA insole provides support, cushioning and shock absorption

Molded External Heel Counter

For supported rearfoot control

Triple Density Sculpted Midsole

Designed to preserve balance between your body and ground forces

WOMEN'S ATHLETIC

Apex Running and Walking footwear are constructed with the most advanced technological features and represent the highest standards in performance and comfort. Innovative features are meticulously built into these extraordinary shoes to offer midfoot and rearfoot stability, pressure relief to the calcaneus, and shock attenuation for the foot and musculoskeletal system.

The multiple removable layers, soft linings and wide last design offer protection, fitting flexibility, and the accommodation of orthotics and shoe modifications. Often recommended for people with diabetes, arthritis or anyone seeking shoes for maximum comfort.

X-Last Styles

Designed by a team of doctors and pedorthists to provide superior comfort and protection for those with diabetes, arthritis or painful foot conditions.

Cushioning

Removable orthotics and polyurethane outsoles absorb shock forces and provide cushioning.

Depth

Multiple removable insoles provide a 1/2" of removable depth for maximum protection and fitting flexibility.

Stability

Hidden depth sole design with raised sidewalls and firm heel counters.

SmartGrip™

Polyurethane sole for safety and stability.

Customization

The added EVA insole allows you to easily customize the comfort and fit of the shoe by trimming the insole at the areas of pressure. The insole may also be fully removed for additional depth.

Protection

High, wide toe boxes and soft, safe linings help protect the foot from injury.

Fit

Straight last design, with multiple removable insoles ensure a proper fit for all foot types.

WOMEN'S AMBULATOR

Designed to limit stress at the areas of the foot most susceptible to pain. Ambulator® Biomechanical footwear provides unsurpassed comfort and protection with unique features such as SmartGrip™ polyurethane soles, state-of-the-art removable comfort orthotics and soft leather linings. Recently updated with eye-catching styles, Ambulator Biomechanical footwear is often recommended for diabetes, arthritis or for those seeking a shoe that provides maximum comfort, stability and added protection.

Biomechanical Collection

- ½" removable hidden depth in 3 layers
- Genuine leather uppers
- EVA footbed
- SmartGrip™ polyurethane soles for safety & stability
- Soft linings with leather for maximum comfort & breathability

Sizes: 4½-11, 12, 13

Widths: Medium (B/C), Wide (D/E), X-Wide (2E/3E)

Conform Collection

- Plastazote® foam lining molds to the foot for a customized fit
- SmartGrip™ polyurethane soles for safety & stability
- Removable conform orthotic with Plastazote®
- ½" removable hidden depth in 2 layers
- High/Wide toe boxes

Sizes: 4½-11, 12, 13

Widths: Medium (B/C), Wide (D/E), X-Wide (2E/3E)

Stretchables Collection

- Single hook & loop strap for maximum adjustability & easy on/off wear
- Seamless, stretchable uppers stretch to accommodate foot problems
- Soft fabric linings wick moisture away from the foot
- ½" removable depth to accommodate orthotics
- 3 removable layers for fitting flexibility
- Recommended for diabetes, arthritis or swollen feet
- Machine washable (T2000 & T2400 only)

EVERYTHING YOU NEED IN ONE DISPLAY CENTER!

Our state-of-the-art APEX Rotating Fitting Tower is the heart of your shoe program. Shipping with the tower is a shoe sample kit that includes our best-selling footwear in the most requested sizes. That way, once a patient's foot is measured, they can try on a shoe in that size - plus a 1/2 size smaller and a 1/2 size larger. This ensures a perfect fit every time!

The complete fitting station includes:

- Fitting tower (70"x25"x23")
- Shoe sample kit (40 half pairs)
- Brannock measuring device
- 100 patient brochures
- One molded pillow for A5512 heat molded inserts

Slat Wall Display also available. Includes:

- 40 slat wall shelves
- Shoe sample kit (40 half pairs)
- Brannock measuring device
- One molded pillow for A5512 heat molded inserts

CARING FOR YOUR FEET:

FOOT WELLNESS TIPS FOR PEOPLE WITH DIABETES

Foot Health Do's:

- Inspect your feet daily for blisters, cuts and scratches. Always check between your toes.
- Wear shoes that are designed to protect your feet from injury.
- Wash your feet daily and dry carefully.
- Avoid extreme temperatures. Test water with your hands or elbow before bathing.
- If your feet feel cold at night, wear socks.
- Inspect the insides of your shoes daily for foreign objects and rough areas.
- Shoes should be fitted by a footcare specialist and be comfortable at the time of purchase.
- See your physician regularly and be sure to have your feet examined at each visit.

Foot Health Don'ts:

- Don't smoke.
- Don't soak your feet in hot water.
- Don't walk barefoot.
- Don't walk on hot surfaces such as sandy beaches or on the cement around swimming pools.
- Don't use chemical agents for the removal of corns and calluses.
- Don't wear mended stockings and avoid stockings or socks with exposed seams.
- Don't use oil or cream between your toes.
- Don't wear sandals with thongs between the toes.
- Don't cut corns or calluses; see your physician

YOU DON'T HAVE TO FALL!

Falls among our senior population is a little-known secret in healthcare. Most people who are having balance problems believe that falling is just a part of getting older. They keep it secret from family, friends and doctors for fear of losing their independence. Then they have a really bad fall and break their hip...or worse.

One in three Americans aged 65 or older falls each year

Every 19 minutes, an older adult dies from a fall

Every 11 seconds, an older adult is treated in the emergency room for a fall

Falls are the leading cause of death from injury among Americans age 65 or older

ARE YOU AT RISK FOR FALLING?

Ask your doctor about the **MOORE BALANCE BRACE** and request a fall-risk assessment today!

Visit www.myfallrisk.com to locate a practitioner near you with experience in fall-risk prevention.

MEN'S FOOTWEAR

A middle-aged man with a grey beard and hair is sitting on the deck of a sailboat. He is wearing a light-colored, cable-knit sweater over a dark collared shirt and light-colored shorts. He is holding a white mug with a small logo on it. The background shows the rigging of the sailboat and the ocean under a bright sky. The overall mood is relaxed and leisurely.

Apex Athletic footwear is designed to prevent injuries and provide quick relief from pain and discomfort to help you lead a healthy and active lifestyle.

Padded Collar & Tongue

Provides cushioned comfort and prevents heel slippage

Biomechanical Footbed

Contoured EVA insole provides support, cushioning and shock absorption

Customization

The added EVA insole allows you to easily customize the comfort and fit of the shoe by trimming the insole at the areas of pressure. The insole may also be fully removed for additional depth.

Molded External Heel Counter

For supported rearfoot control

Multi-Density Midsole

Strategically placed firm EVA under medial arch for additional support

CONFORM INSOLES

Anti-Shox® Conform Insole Orthotics and Conform Insoles with Gel are comfortable, lightweight orthotics that absorb shock and mold to your feet for unsurpassed comfort and protection.

Apex Conform Insoles are NOT covered by Medicare.

For orthotics covered by Medicare, please see page 40.

APEX CONFORM INSOLES

40664

The Plastazote® top cover conforms to accommodate pressure "hot" spots, making this insole recommended for diabetic and arthritic patients.

MEN'S SIZES: 6-16 (WHOLE SIZES ONLY)

WOMEN'S SIZES: 4-13 (WHOLE SIZES ONLY)

APEX CONFORM INSOLES WITH GEL

40665

The insoles feature state-of-the-art gel technology for extra protection at the areas most susceptible to pain. The Plastazote® top cover conforms to accommodate pressure "hot" spots, making this insole ideal for diabetic and arthritic patients.

MEN'S SIZES: 6-16 (WHOLE SIZES ONLY)

WOMEN'S SIZES: 4-13 (WHOLE SIZES ONLY)

PREFABRICATED ORTHOTIC SUPPORTS

DYNAFLANGE™

The Greatest Advancement in Orthotics in 60 Years

The patented DynaFlange® represents a profoundly new approach to prefabricated orthotic supports. This device dynamically manages motion with every step. Enhanced shock absorption means greater comfort, especially when standing for long periods on hard surfaces.

REDUCED IMPACT FORCES

Enhanced shock absorption means greater comfort - especially when standing for long periods on hard surfaces.

DYNAMIC ENERGY RETURN

The patented rearfoot flange flexes during heel strike, storing energy that is released during the subsequent phases of gait, efficiently positioning the foot for optimal propulsion. DynaFlange® does the work so you don't have to!

POSTURAL EFFICIENCY

DynaFlange® orthotic supports improve center of pressure and stability through all phases of the gait cycle which results in improved posture while standing, walking or running.

FEEL THE SCIENCE...

Healthcare professionals prescribe dynaflange® to treat the following conditions:

- Equinus
- Plantar fasciitis
- Pronation & supination
- Apropulsive gait
- Ankle instability
- Heel, hip, knee and lower back pain

... *And because they just feel great!*

one carton (10 pair) of 1124 Foamart with shipping labels and order forms. (Item # 5DCUSTKIT)

FOAMART® FITTING KIT

THE ORIGINAL FOOT IMPRESSION FOAM

When taking a negative impression of a patient's foot, there is no system that can match the convenience and accuracy of Foamart Foot Impression Kits. In just seconds a technician can take an impression of a patient that will

accurately match their size, shape and arch. Foamart is the highest quality foam available and will not crack during or after an impression. Available in convenient self-mailer boxes or in bulk form. Foamart comes in two sizes - standard (12") and long (14").

FOAMART KIT:

PRODUCT #	DESCRIPTION	SIZES	QUANTITY
1122	Foamart Bulk Pack - Standard	2" x 6" x 12"	12 pair
1123	Foamart Impression Kit - Standard	2" x 6" x 12"	12 pair
1124	Foamart Impression Kit - Long	2" x 6" x 14"	10 pair
1125	Foamart Bulk Pack - Long	2" x 6" x 14"	12 pair
1128	Foamart Economy Singles - Long	2" x 6" x 14"	24 pair
1129	Foamart Impression Kit - Big Foot	2 ½" x 6" x 13 ¾"	12 pair

APEX® HARRIS MAT SET

1110

The set includes the imprint mat, paper, ink and roller. Produces weight-bearing imprint of the foot, thereby measuring pressure disbursement and arch shape. Ink, paper, mat and roller also sold separately.

See price list for details.

THERMOTHOTIC™ MOLDING KITS

Thermothotic Molding Kits offer a very easy, effective and quick system to heat mold inserts to properly achieve total contact with your patient's foot. The kits include a unique polyurethane molding pillow which allows your patients to remain seated throughout the molding process, easily molding the orthotic to each arch to achieve total comfort.

Thermothotic Molding Kits include ThermoGloves, silicone oven liners, a timer, thermometer and two molding pillows.

THERMOTHOTIC MOLDING KIT
